

Make Sales, Grow Your Revenue, And Thrive in A Post-Pandemic World

with Master Salesperson, Leadership Coach, and Business Development Consultant
Denise Horan

For the last three decades, Denise Horan's career has revolved around sales—from sales professional, to Sales Manager, to VP Sales, to Sales Consultant, to Sales Trainer. She has been a valued consultant to entrepreneurs and to Fortune 500 executives, a Sales Trainer to great sales forces from all industries, and has coached top “rainmakers” in many professional organizations. She is the Founder and Principal of Integrated Management & Sales Consulting.

Denise's passion and motivation for coaching, consulting, and training for growth and productivity have helped many professionals grow and succeed.

Take your business to the next level.

Denise's Recent Speaking Topics Include:

- “Growing Sales in a Pandemic Environment”
 - “Stories from The Sales Field: An interactive discussion on stories, sales tips and lessons learned”
 - “Remote Selling Strategies”
 - “How to be a Rainmaker”
 - “Making Connections: Prospecting, lead generation and building relationships”
- ...and more!

All opportunities include an interactive discussion with stories, sales tips, and the lessons learned throughout Denise's career.

Denise is also available for management and entrepreneurial coaching, sales training workshops, sales planning, or to help you create expert sales plans and personal branding strategies.
